  - iii) **Certificate of Registration GSTIN as applicable.**
  - iv) **PAN registration / Income Tax return last three years.**
  - v) **Undertaking for having gone through the Tender documents as per technical Bid.**
  - vi) **Valid Trade License Certificate.**
- (11) The Employer does not bind himself to accept the lowest or any tender and reserves to himself the right of accepting the whole or any part of the tender and the tenderer shall be bound to perform the same at the rates quoted.
- (12) Canvassing in connection with the tenders is prohibited and the tenders submitted by the contractor who resort to canvassing are liable for rejection.
- (13) The tenderer shall not be permitted to tender for works in the concerned unit of CSIR in which a relative is posted in the grade between Administrative Officer and Junior Engineer (both inclusive). He shall also intimate the names of persons who are working with him in any capacity or subsequently employed by him and who are relatives as mentioned above.

**NOTE :** A person shall be deemed to be relative of another if, and only of, (a) they are members of Hindu undivided family; or (b) they are husband and wife ; or (c) the one is related to the other in the following manner: Father, Mother (including step mother), Son (including step son), Son's wife, daughter (including step daughter), Father's father, Son's son, Son's son's wife, Son's daughter, Son's daughter's husband, Daughter's husband, Daughter's son, Daughter's son's wife, Daughter's daughter, Daughter's daughter's husband, Brother (including step brother), Brother's wife, Sister (including step sister), Sister's husband.

- (14) Tender submitted shall remain valid for 90 days from the date of opening for the purpose of acceptance and award of work; validity beyond 90 days from the date of opening shall be by mutual consent.
- (15) The tenderer shall quote rates both in figures and words. He shall also workout the amount for each item of work and write in both figures and words. On check if there are differences between the rates quoted by the tenderer in words and in figures or in the amount worked out by him, the following procedure shall be followed:
- (i) When there is a difference between the rates in figures and in words, the rates, which correspond to the amounts worked out by the tenderer, shall be taken as correct.
  - (ii) When the amount of an item is not worked out by the tenderer or it does not correspond with the rate written either in figures or in words, the rate quoted by the tenderer in words shall be taken as correct.
  - (iii) When the rate quoted by the tenderer in figures and in words tallies but the amount is not worked out correctly the rate quoted by the tenderer shall be taken as correct and not the amount.

- (16) The tenderer should see drawings and in case of doubt obtain required particulars, which may in any way influence his tender from the Engineer as no claim whatsoever will be entertained for any alleged ignorance thereof.
- (17) Before tendering, the tenderer shall inspect the sites to fully acquaint himself about the condition in regard to accessibility of site, nature and extent of ground, working condition of site and locally including stacking of materials, installation of tools and plants (T & P) etc., conditions affecting accommodations and movement of labour etc. required for the satisfactory execution of the work contract. No claim whatsoever on such account shall be entertained by the Employer in any circumstances.
- (18) Earnest Money will be forfeited if the contractor fails to commence the work as per letter of award.
- (19) Except writing rates and amount, the tenderer should not write any conditions or make any changes, additions, alterations and modifications in the printed form of tenders. Tenderers who are desirous to offer rebate the same should be brought out separately in the covering letter and submitted along with the tender.
- (20) Some of the provisions of General Conditions of Contract are given below. Interpretation however shall be as given in the General Condition of contract.
- (a) **DEFECT LIABILITY PERIOD:** 12 (Twelve) months from the date of completion of the specific job as certified by the employer.
- (b) **MINIMUM VALUE OF WORK FOR THE INTERMEDIATE CERTIFICATE:** Since the completion time of the work is 28 (**Twenty-eight**) Days, hence full and final payment shall be done.
- (c) **SECURITY DEPOSIT:** A sum @ 10% of the gross amount of the bill shall be deducted from each running bill of the contractor till the sum along with the sum already deposited as earnest money, will amount to security deposit of 5% of the tendered value of the work. In addition, the contractor shall be required to deposit an amount equal to 5% of the tendered value of the contract as Performance Security within the period prescribed for commencement of work in the letter of award issued to him.
- (d) **COMPENSATION:** Contractor shall pay as compensation an amount equal to one per cent or such smaller amount as the Employer (whose decision in writing shall be final) may decide on the cost of the whole work as shown in the agreement, for every week that the work remains un-commenced or unfinished or due quantity of work remains incomplete after the proper dates. Compensation to be paid shall not exceed ten per cent of the estimated cost of the work as shown in the agreement.
21. Schedule showing approximate quantity of materials to be supplied by the Employer under clause: 6 of the General Conditions of contract for works contracted to be executed and the rates of which they are to be charged for.
22. **The CMERI, Durgapur reserves the right to reject any or all the bids without assigning any reason thereof.**

**NOTE :** The Tenderer shall ensure that particulars in the above form are filled in by the Engineer he submits the tender. Notwithstanding anything stated elsewhere, the quoted rates should be as per schedule.
