“Advanced E-SDP”

‘Advanced E-SDP’, an **Entrepreneurship-cum-Skill Development Programme** of DC (MSME), Ministry of Micro, Small & Medium Enterprises, Govt. of India, New Delhi, is aimed to motivate young persons (Men & Women) representing different sections of the society including SC/ST women, physically handicapped, Ex-servicemen, and BPL persons to consider self-employment or entrepreneurship as one of the career options. The ultimate objective is to promote new enterprises, build capacity of existing MSMEs and inculcate entrepreneurial culture in the country.

ELIGIBILITY

The programme is intended for Entrepreneurs/start-ups having registered under MSME - Udyam and working in the area of Agricultural Machinery/Techniques. Central /State Govt. Officers (including Ministry of MSME) can also participate to enhance their knowledge.

Aims and Objectives

- To make aware/train entrepreneurial culture among people.
- To enable the target group to think and act in an entrepreneurial way by imparting technical, business skills at an early stage in their career, so that it not only encourages them to consider entrepreneurship as a career opportunity but also helps them become successful in any profession.
- To provide basic entrepreneurship training aimed at helping entrepreneurs to put their ideas into action, bring an attitudinal & behavioral change in the target group and build their personal entrepreneurial skills.
- To provide advance entrepreneurship and advance management training aimed at helping entrepreneurs by providing high end advance training in the domain of Modern Agricultural Machines and Techniques.
- This is a product-cum-process oriented activity-based programme. This training programme is basically designed to upgrade skills of prospective entrepreneurs coupled with specific skills, hands on practice or demonstration relating to activities.
- Leading academicians, successful entrepreneurs, faculties from the technical/financial/management institutions would delivered the lecture.

About CSIR-CMERI

CSIR-Central Mechanical Engineering Research Institute (CSIR-CMERI) was founded in February, 1958 and it is a premier R&D institute under the aegis of Council of Scientific & Industrial Research (CSIR), New Delhi. CSIR-CMERI has been engaged in various R&D activities and skill development programmes.
