In case of any transgression of this code, the Bidder is not only liable to be removed from the list of registered Suppliers, but it would be liable for other punitive actions such as cancellation of contracts, banning and blacklisting or action in Competition Commission of India, and so on.

1.3.2

- ii) "Fraudulent practice": any omission or misrepresentation that may mislead or attempt to mislead so that financial or other benefits may be obtained or an obligation avoided. This includes making false declaration

or providing false information for participation in a tender process or to secure a contract or in execution of the contract;
