Sub: Paid Internship Programme for Students at CSIR-CMERI Durgapur

CSIR-Central Mechanical Engineering Research Institute, established in 1958, is the apex R&D Institute for mechanical engineering and allied disciplines under the aegis of the Council of Scientific and Industrial Research (CSIR), which is an Autonomous Body under Ministry of Science & Technology, Government of India. The present priority areas of research of the institute include **Intelligent Autonomous Systems and Robotics, Sustainable & Digital Manufacturing, Smart Farm Machines & Technologies, Electric Mobility & Clean Energy, Airborne Systems & Technologies, Industrial Services & Research, and Skill Development:**

An exciting paid internship opportunity is open for students who are eager to gain practical experience and strengthen their professional skills. This is an excellent opportunity for motivated students looking to grow, explore career possibilities, and take the next step toward their future careers. The interns will work closely with experienced team members, allowing them to apply their academic knowledge in a real-world setting while developing new competencies that are highly valued in today's world. The internship offers a competitive monthly stipend of **Rs. 5000/- (Rupees five thousand only)**.

Eligibility:

- Students who have successfully completed at least the **2nd year** of their **B.E./B.Tech. course in Mechanical Engineering / Biotechnology Engineering / Bio-medical Engineering** with a cumulative grade point average (CGPA) of 7.0 or above (on a 10-point scale) up to the latest published semester results, are eligible to apply.
- Students who have completed **1st year** of their **M.Sc. programme in Chemistry** with a minimum of 55% marks are eligible.
- Only regular, full-time students with no pending backlogs and no record of disciplinary action from their parent institution will be considered eligible.

Duration of Internship: 60 days (Tentatively starting from the 2nd week of June 2026)

No of vacancies: Two (02)

Selection of Interns:

- Selection of interns will be based on the fulfilment of the prescribed eligibility criteria, followed by a merit-based overall assessment of the documents submitted by the candidates. The evaluation will also take into account the candidates' alignment with the proposed research area as well as the submitted Statement of Purpose (SOP). The decision of the authority shall be final and binding, and no further correspondence in this regard will be entertained.
- The names of the selected candidates, along with their assigned mentors, will be published on the Institute's website (or communicated via email) preferably three (03) days prior to the commencement of the internship programme.

Accommodation:

The selected interns will have to make their own arrangement of stay during the internship. No accommodation will be provided by CSIR-CMERI, Durgapur.

How to apply:

The eligible and interested students are advised to send the following documents (available in the Institute's website): -

- Filled up Application Form (Annexure-I) with recent passport-size photograph
- No Objection Certificate (Annexure-II) issued by the Head of the Department/Institute
- Supporting documents (Attested photocopies of marksheet & pass certificate for both 10th & 12th board examinations, Marksheet/Grade card of College/University level examinations)
- Others like IPR/publications, etc., if any

The above documents may be sent to the email addresses by 30th May 2026 as per the following table -

Sl. No.	Project No	Desirable Research Area	No. of Vacancy	Application to be submitted to the following email ids
1	GAP-245012	Mechanical Engineering: Thermal Fluid Science (Battery Thermal Management System of EV)	01	bmondal.cmeri@csir.res.in
2	GAP-244712	Biotechnology / Biomedical Engineering/ Chemistry: Bio / Chemical sensor design & development for health care / environmental applications	01	nchanda.cmeri@csir.res.in

Terms and Conditions:

- The institute will not provide any Travel Allowance (TA) and Dearness Allowance (DA) to the interns.
- The interns will be responsible for covering all expenses related to accommodation and food on their own.
- Even though the internship is for a duration of 60 days, CSIR-CMERI reserves the right to discontinue the programme at any time for reasons deemed to be valid by the Institute, without assigning any reasons.
- All the interns must follow the rules and regulations of the Institute. Any violation may lead to termination of the internship, and the matter may be reported to the parent institution. Appropriate action may also be taken against the intern as decided by the Competent Authority of CSIR-CMERI.
- Upon successful completion of the internship, the interns will be awarded an "Internship Completion Certificate" after submitting a detail work report to the mentor.
